

## FEDERATION FOOTNOTES

VOLUME 9 ISSUE 3

SEPTEMBER, 2009

### **From the desk of.....**

Fall is nearly here and it will certainly be a busy time with sales, shows, breeding, calving and preparation for Winter. It is important that we all sit down with a calendar and pencil in the events that keep Fullbloods in front of the beef industry.

Most of you will have received the 2009 - 2010 FSFF Annual Membership Directory by the time that you read this and I urge all of you to use this Directory to support the FSFF Members and friends of Fullblood cattle throughout the years.

#### Important items that need your urgent consideration and response:

1. *There are three FSFF Directors whose terms expire in January, 2010. They are: Fred Schuetze, Jim Ethridge, Dr. Billy S. Moore*
  - a. *Your Board of Directors needs a list of potential candidates to run and replace these three Directors. It is imperative that this is done PRIOR to October 1, 2009, so that ballots can be mailed out to all FSFF Members and RETURNED with your selections PRIOR to the Annual General Membership Meeting in January, 2010.*
  - b. *Please send your Director suggestions to the FSFF either by email: fsff@frontierbroadband.com , or regular snail mail to the FSFF office address. Regular phone calls will not be accepted regarding your candidate suggestions.*
2. *The FSFF Annual General Membership Meeting will be held on Friday, January 8, 2010, at the Sale Facility of Little Creek Farm in Starkville, Mississippi.*
3. *We are working on having a special guest speaker from Germany at the FSFF Annual General Membership Meeting. Make plans to attend this informative session!*

We will have an informal FSFF meeting at the NAILE show in November in Louisville, KY., either before, during or after the Fullblood Show on November 18, 2009. We will have more information on this shortly, so please pay attention to your emails from the FSFF and the items sent to you through the mail. It's going to be a great event, thanks to Larry Maxey, so make your plans early not to miss it! Also, don't forget, we need donations to help pay class premiums, etc., for the NAILE Fullblood Show, "The Pinnacle".

Check the Schedule of Events on the FSFF website, [www.fleckvieh.com](http://www.fleckvieh.com) , and in the 2009-2010 FSFF Directory, and be sure you and your cattle are represented at all the Fullblood events. Without you it won't work!

Respectfully, 

# 2010
