

African Simmental-Fleckvieh Safari

11 – 15 October 2009
<http://www.simnamibia.com>

03 March 2009

The Chairman
Fullblood Simmental Fleckvieh Federation

Dear Fred

Hope this will find you in perfect health. We invite you and all the Fleckvieh breeders as well as friends to attend the Simmental-Fleckvieh event of the year. You will find the programme, costing, info as well as info on the country, breed and weather at www.simnamibia.com. Please note that this is not a closed WSFF member gathering and all friends are welcome to attend.

Namibia is for 100 years already Fleckvieh country and you will note from the web page that that's where it all started. Will you please include this on your web page and send an e-mail to all your members. Ask your Tour Operator to contact Sunbird Tours (*below*) for any booking/registration details.

Thanks for your time and kind regards

Peter
